

Use of cookies

We may use cookies on our site. A cookie is a small piece of data sent by a web server to a web browser, which enables the server to collect data from the browser. This small piece of data will be revealed to us when you visit our site.

We use cookies to identify you when you visit our site and monitor your use of our site. Other than as stated in this Privacy and Data Protection Policy we do not use cookies to collect other additional data about you.

You should be aware that most browsers allow you to turn off cookies or to receive a warning before a cookie is stored on your hard drive. Please refer to your browser instructions or help screen to learn more about how to do this. However, please note that should you decide to disable any cookies we place on your computer you may not be able to use certain services or facilities on our site.
